<u>Kindergarten Learning Grid</u>

This grid provides you with some ideas of how to support your child's learning at home. Your child may like to use this booklet to complete some of the activities from the grid in.

Literacy	Mathematics	Science & Geography	Creative Arts
Write your CVC or camera words using pencils, textas, crayons or can make them out of playdough.	Collect 10 sticks (or random objects) and order them from shortest to tallest.	Draw a picture of you in your favourite place in your house.	Do some mindfulness colouring in or drawing to improve your fine motor skills.
Find and draw objects that begin with the following sounds: Aa, Ss, Tt and Oo	Practise correctly writing numbers 1-20. Write in either pencils, crayons or in your backyard with chalk or with a wet paint brush.	If you have a pet, draw where your pet lives such as a fish tank, dog kennel, rabbit hutch etc.	Do some directed drawing (listening and following directions).
Draw a picture about your favourite part of your day. You may like to label the picture or copy a modelled sentence.	Collect 20 rocks or shells, put them in a 2 bowls and discuss which has more, less or same for various combinations.	Find and draw all the living and non-living things in your home environment.	You may like to use: • Art Hub for Kids on www.youtube.com • Copy a picture from your favourite book.
Retell stories read to you by using the beginning, middle and end.	Use positional language to describe where things are such as over, under, between, left, right etc in your home.	Be a weather reporter by looking at today's weather outside and draw a picture.	Use found objects around your house to make music or build your own instrument.
Choose your favourite story book and	Make patterns using objects found in your	PDHPE (Sport & Health)	Other
either ask someone to read to you or to read along with you. Use the pictures for help.	home. ABC - Shell, rock, stick, shell, rock, stick AB – spoon, fork, spoon, fork	Set up an obstacle course at your house. Time yourself to see if you can beat it.	Learn to tie your shoe laces on either your own or someone else's shoes.
Practise writing the names of all your family members on a piece of paper with rainbow colours.	Find 2D shapes around your home to help you design and draw a robot using 2D shapes.	Find some space to do some exercise such as; Star jumps, bear crawls, high knees, sit ups and running on the spot.	Sort your toy box by type, sort the washing into colours, whites and darks
Write a sentence about yourself such as: My name is I like to	Draw a picture of your family in order of shortest to tallest.	Play board and/or cards games with family to practise how to share and take turns.	or sort washing by who they belong to.
Phone or speak to another member of your family and ask them to tell you a story about when you were a baby.	Find and sort all the 3D objects you can see in your home and backyard.	Help someone to cook or bake something healthy for everyone to enjoy.	Play 'I Spy' with someone special who lives with you in your house or backyard.

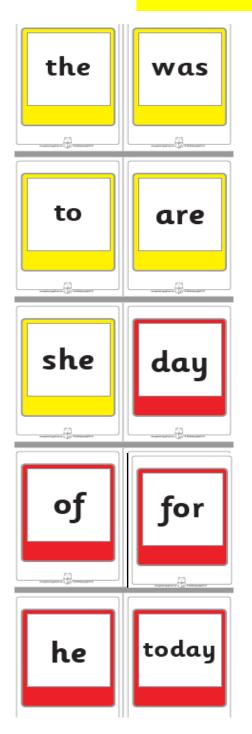

<u>Literacy</u>
Write your CVC using pencils, textas, crayons or you can make them out of playdough.
