### FUN DAY AT SCHOOL

The students enjoyed an exciting and fun-filled day at school with a mix of water play, indoor movies, crafts, games, and other engaging activities.

They kicked off the day by splashing around in the water, enjoying the cool, refreshing playtime. Later, they gathered in a cozy space to watch a movie.

The creativity flowed during the craft session, where they got hands-on and made colourful art. Various games kept the energy high, providing opportunities for teamwork and friendly competition. Overall, it was a day full of laughter, learning, and excitement!
